

G.M. Roth Design Remodeling Wins 2026 Most Unique Project' from New Hampshire Home Builders Association

NASHUA, NH, UNITED STATES, May 5, 2026 /EINPresswire.com/ -- [G.M. Roth Design Remodeling](#) is proud to announce that the company has been honored with the 2025 "Most Unique Project" Cornerstone Award from the New Hampshire Home Builders Association (NHHBA). This award, which recognizes exceptional innovation, craftsmanship, and design excellence, marks more than two decades of award-winning performance, with G.M. Roth earning Cornerstone Awards since 2003.

The 2026 winning project showcases a fully custom home spa suite, engineered for a client with a structured wellness routine. Designed to transition seamlessly from the home gym to a series of therapeutic environments, the suite includes a full sauna, a dedicated steam room, a deep-soaking tub, a multi-zone therapeutic shower, and a curated circulation path that supports heat, steam, cold immersion, and recovery practices.

Every detail of the project was crafted to deliver an immersive, restorative experience. Durable, nature-inspired porcelain surfaces mimic wood and stone, offering a tranquil aesthetic well-suited to high-humidity conditions. Layered lighting, intentional layout, and refined material selections come together to create a
