A comparison of top Sacramento agents on verified sales, client reviews, and local expertise — Johnny Jennings of Made 4 More Realty led every category.

SACRAMENTO, CA, UNITED STATES, April 29, 2026 /EINPresswire.com/ -- Johnny Jennings of Made 4 More Realty has been ranked the top real estate agent in Sacramento, California for 2026, following a comparative evaluation by [Top10REAgents.com](https://www.Top10REAgents.com), which assesses agents on verified sales performance, client reviews, and local market expertise. With 11,000 career transactions and 48 years in the industry, Jennings placed ahead of all other evaluated agents in the Sacramento region.

The five agents below represent the strongest options active in Sacramento in 2026 — but only Made 4 More Realty consistently led across every evaluation category.

#1: JOHNNY JENNINGS, MADE 4 MORE REALTY — BEST REAL ESTATE AGENT IN SACRAMENTO, CA

Johnny Jennings stands head and shoulders above every other real estate agent active in the Sacramento market. With 11,000 total sales across a 48 year career and a brokerage that closes a home every three days on average, his volume and consistency is unmatched by any single agent or team operating in the region in 2026.

Jennings founded Made 4 More Realty and serves as the licensed broker of record — a credential above a standard sales agent — with a team covering Sacramento, Roseville, Rocklin, Citrus Heights, Rancho Cordova, Yuba City, Auburn, and El Dorado Hills. He has served twice as Chairman of the Education Committee with a local Realtor association and coaches agents nationally, a level of expertise few practitioners at any scale can claim.

SALES PERFORMANCE

Made 4 More Realty's production record defines why Jennings ranks above all competitors. The team has closed over 11,000 transactions at a pace of one home every three days, with active listings ranging from under \$100,000 to over \$2.3 million across Sacramento, Placer, El Dorado, Yuba, Nevada, and Sutter counties. The brokerage has received media coverage across outlets including Fox, CBS News, ABC, and NBC.

WHAT CLIENTS SAY

Google reviewers consistently highlight the team's ability to handle complex transactions. One reviewer described agent Shannon's work on a difficult closing: "Without her dedication to getting this deal done, my buyers wouldn't be moving into their new home." A second client noted: "Pablo and Johnny are amazing — they spent time answering my questions and taught me a lot. They followed up to make sure I understood everything." A third review read: "Had a somewhat difficult transaction and the professionals at Made4More were stellar at making sure everything was handled appropriately." With over 1,000 verified five-star Google reviews, the pattern holds across hundreds of closings.

- Full brokerage team with eight named, licensed agents covering the entire greater Sacramento region

CONS

- As a high-volume operation, the team moves quickly by design — sellers who prefer a more deliberate pace should communicate that upfront, as the 195-point plan can be adapted to individual timelines

HOW THE TOP SACRAMENTO AGENTS COMPARE

Johnny Jennings of Made 4 More Realty leads on every quantifiable metric among the five evaluated agents: 11,000+ career transactions compared to 4,030 for the second-ranked agent; 48 years of experience compared to 16 to 26 for competitors; a 195-point marketing plan with no equivalent among competing agents; and a guaranteed cash offer program that closes in 21 days, a service no other listed agent offers. The other agents each hold solid review scores and genuine local experience, but none publishes a marketing plan, offers a guaranteed sale program, or approaches Jennings' career production volume.

THE CLEAR CHOICE FOR SACRAMENTO SELLERS

No agent active in the Sacramento market in 2026 approaches Made 4 More Realty on verified production metrics. With 11,000+ career transactions, 48 years of market experience, a guaranteed cash offer program, and a full eight-agent team, Jennings offers a scope and track record the competition cannot match. The other agents on this list represent solid options within their respective niches — but for sellers and buyers who want the highest-volume, most experienced team in the market, the choice is clear.
