

Salsa Kings® Offers Group Dance Lessons in Cooper City, Florida

Miami-based salsa studio highlights group classes, private lessons and online learning for beginners, adults and couples in Cooper City.

COOPER CITY, FL, UNITED STATES, May 1, 2026 /EINPresswire.com/ -- [Salsa Kings®](#), a Miami-based salsa studio founded in 1998, provides group dance lessons in [Cooper City, Florida](#), for beginners, adults and couples seeking structured instruction, social connection and regular physical activity through Latin dance.

The Cooper City studio is part of Salsa Kings® South Florida network serving Miami, Weston, Cooper City, Doral, Homestead and Kendall across Miami-Dade County and Broward County. The company provides services to clients through group classes, private lessons and online learning, with beginner and intermediate options designed to help students develop skills over time.

According to company materials, Salsa Kings® began when founder Elba identified a lack of dedicated salsa academies in Miami. The organization continues under the leadership of Owner Mr. Andres Fernandez, whose stated focus is making salsa accessible to beginners in a welcoming environment regardless of background or experience.

Lesson formats highlighted by the company include:

- Group classes for students seeking structured, in-person instruction in a social setting
- Private lessons with one-on-one feedback tailored to individual goals and skill levels
- Online learning for students who prefer virtual access
- Customized choreography for occasions such as weddings and quinceañeras

Salsa Kings® states that private lessons can also support faster progress through individualized

attention, flexible scheduling, specialized salsa training and the option to learn with a chosen partner in a more comfortable setting.

The studio's broader mission is to deliver excellence in a fun, healing culture by helping people build relationships and exercise interpersonal connection through Latin dance. The company summarizes that approach with the motto #BetterTogether and states that students often find not only instruction, but also workshops, VIP events, dance groups and community-centered experiences.

Client feedback included in company materials points to the Cooper City location's emphasis on accessibility and teaching structure. Steven C., a client, said, "My Wife and I purchased a Groupon for Salsa Kings and started attending the Cooper City location. WOW ☐ what an Awesome group of people, and Fun!
