

ModusLink Brno Awarded Silver Recognition by the Responsible Business Alliance

ModusLink Corporation achieves high score following a comprehensive evaluation under the RBA's Validated Assessment Program

SMYRNA, TN, UNITED STATES, May 4, 2026 /EINPresswire.com/ -- [ModusLink](#) Corporation today announced that its Solution Center in Brno, Czech Republic has achieved Silver Recognition under the Responsible Business Alliance (RBA) Validated Assessment Program (VAP).

This recognition is awarded based on performance in an independent third-party audit assessing compliance with the RBA Code of Conduct, applicable laws, customer requirements, and industry standards. The Brno facility achieved Silver status with zero Priority findings, reflecting the Solution Center's strong performance across all evaluated areas.

The RBA VAP is one of the most comprehensive assessments in the industry, covering five key areas: Labor, Health and Safety, Environment, Ethics, and Management Systems.

"This recognition reflects the consistent work of our team in Brno to operate in line with rigorous global standards," said Fawaz Khalil, Chief Executive Officer at ModusLink. "Achieving Silver status with zero Priority findings demonstrates a high level of operational discipline and accountability. We are proud of the team's commitment to maintaining a responsible, safe, and compliant workplace."

This milestone follows the RBA high scores achieved by ModusLink's Solution Centers in Miami, Waigaoqiao, Penang, and Kunshan, reflecting the company's consistency in upholding responsible business practices and meeting the expectations of their customers, partners, and regulators.
