- A Targeted Platform Connecting Companies and Capital -

“

It was incredibly inspiring to hear directly from the CEOs and senior leaders at the summit.”

Zhou Xinying, Regional Manager SmallCap Asia

The Ignite Investment Summit brought together around 30 public company CEOs and more than 120 investors, facilitating over 450 pre-arranged one-on-one meetings across the resources, life sciences, and technology sectors.

The event is built around a structured meeting format, enabling direct engagement between company leadership

and investors based on aligned investment criteria.

Held in Singapore, a major financial hub with over USD \$4.6 trillion in assets under management, the summit provides access to institutional investors, private equity groups, family offices, and high-net-worth individuals actively seeking growth opportunities.

- On-Site CEO Interviews and Content Production -

During the summit, Global One Media conducted a series of on-site CEO interviews through SmallCap Asia, capturing insights from company leadership across participating sectors.

The interviews were filmed and produced on-site and form part of Global One Media's ongoing content distribution across its investor media platforms.

"It was incredibly inspiring to hear directly from the CEOs and senior leaders at the summit. These are the kinds of stories our 10,000+ investors across the region are hungry for, authentic, unfiltered conversations with the people driving growth in the small-cap space," said Xinying Zhou, Regional Manager of SmallCap Asia.

The full interview series is now available, featuring executives from companies participating in the Ignite Investment Summit: [view here](#).
