

Snap-O-Razzo Launches Regina's Premium Sausages Featuring Cherry Maple Pork and Red Apple Sage Chicken Sausage Links

Regina's Premium Sausages® launch with clean-label ingredients, natural smoke, real apple inclusions, and improved yield for foodservice operators.

NASHVILLE, TN, UNITED STATES, May 5, 2026 /EINPresswire.com/ -- [Snap-O-Razzo](#), the chef-driven company behind the award-winning hot dogs served at leading resorts, hotels, and restaurants nationwide, announces the launch of Regina's Premium Sausages® – a new line dedicated to bringing premium craftsmanship and clean ingredients to the breakfast sausage category.

The debut features two standout 3.5-inch fully cooked breakfast links:

- Regina's Natural Cased Cherry Maple Pork Breakfast Sausage
- Regina's Skinless Red Apple Sage Chicken Breakfast Sausage

Both products are cryovac-sealed for optimal freezer performance and ease of use in high-volume kitchens.

"Breakfast sausage has long been an overlooked category," said Chef and Sausage Maker Ralph Perrazzo, Founder of Snap-O-Razzo. "We applied the same obsession with quality and performance that made our hot dogs so beloved. The result is two exceptional sausages that deliver superior flavor, significant yield improvement, and true clean-label integrity."

The Cherry Maple Pork Breakfast Sausage offers a satisfying snap from its natural casing and is naturally smoked over cherrywood, delivering rich, savory, and herbaceous depth balanced with

subtle maple sweetness.

The Red Apple Sage Chicken Breakfast Sausage stands out with an authentic flavor boost: unlike most competitors that use dried or dehydrated apple, Regina's uses real fresh red apple paired with fragrant sage for bright, genuine fruit character.

Both sausages incorporate fresh onions and garlic and are formulated for exceptional cooking performance.

Snap-O-Razzo's proprietary formulation reduces cooking shrink compared to conventional breakfast sausages, delivering:

- Higher yield
- More consistent cooked size
- Less waste
- Stronger plate presentation
