

AmeriTech Air Conditioning & Heating Offers \$59 AC System Tune-Up to Help Orlando Homeowners Prepare for Summer

The limited-time Orlando special includes a comprehensive multi-point inspection designed to prevent costly breakdowns and extend system life.

ORLANDO, FL, UNITED STATES, May 6, 2026 /EINPresswire.com/ -- AmeriTech Air Conditioning & Heating, a family-owned HVAC company serving the Orlando area for over 25 years, is now offering a \$59 [AC System Tune-Up](#) special for Orlando-area homeowners. The promotion is designed to help residents get ahead of Florida's demanding cooling season by identifying potential issues before they become expensive emergency repairs.

AC Tune up

Proactive Maintenance to Prevent Surprise Repairs

As temperatures begin to climb across Central Florida, air conditioning systems face increasing demand. Performing a professional tune-up now can help prevent excessive wear and tear, improve energy efficiency, and significantly reduce the likelihood of surprise repairs during peak summer months.

"Routine maintenance is one of the most effective ways homeowners can protect their HVAC investment. Our \$59 tune-up gives Orlando families an affordable way to make sure their system is running safely and efficiently before the heat really sets in" said a spokesperson for AmeriTech Air Conditioning & Heating.

What's Included in the \$59 A/C System Tune-Up

AmeriTech's comprehensive tune-up covers all critical components of a residential air

conditioning system:

- Check thermostat operation
- Inspect filters
- Check disconnects and tighten electrical connections
- Check blower wheel, belts, and bearings
- Record outdoor temperature
- Record refrigerant pressures
- Check crank case heater
- Check coils and clean outdoor unit if needed
- Check all safety controls

Note - Prices are not applicable on nights, weekends, and holidays. Additional repairs or parts will be quoted separately if needed.
