

Experience Phuket's Hidden Charm: Green Season Retreat at InterContinental Phuket Resort

Discover cooler, quieter, island escapes with curated experiences

PHUKET CITY, PHUKET, THAILAND, May 6, 2026 /EINPresswire.com/ -- Phuket, Thailand, 25 April 2026 – Phuket takes on a different kind of charm during the green season. The pace softens, the landscape becomes more vibrant, and the island feels more relaxed and personal. At InterContinental Phuket Resort, this time of year offers a refreshing alternative to the peak travel months.

Short tropical showers come and go, often followed by clear skies and fresh sea breezes. The result is a lush, green setting that feels fresh and inviting.

“True luxury lies in space, serenity, and meaningful moments,” says Mr. Bjorn Courage, General Manager. “This is when Phuket feels at its most peaceful, allowing guests to experience the island in a more personal way.”

With fewer crowds and milder temperatures, guests can enjoy the resort at a slower pace. Whether its time spent by the pool, relaxing on a private terrace, or simply enjoying the surroundings, the experience feels easy and unhurried.

Inside InterContinental Phuket Resort, each moment unfolds at an unhurried pace, with a variety of experiences

designed for both relaxation and meaningful connection throughout the day. Yoga and fitness classes offer a gentle reset, while creative activities such as batik painting and Tie-Dye Workshops provide a simple, hands-on way to unwind. Younger guests can also discover Planet Guardian, the resort's one-of-a-kind children's sustainability programme, thoughtfully created to inspire environmental awareness through engaging and educational experiences. These activities reflect the resort's ongoing commitment to responsible luxury hospitality as a [GSTC-certified resort](#), aligned with the principles of the Global Sustainable Tourism Council standards.

At Jaras Restaurant, guests are welcomed into a more intimate culinary journey through a Cooking Class with Chef Chalermwut Srikockal (Chef Nui)—recipient of the Siella Awards 2024 Chef of the Year and a Thailand International Culinary Cup honouree. Drawing on over a decade of experience, he brings together Thai heritage and contemporary finesse, guiding guests through dishes that are as expressive in presentation as they are refined in flavour.

As the day softens, private wine sessions offer a moment of quiet indulgence. And when the rain gives way, guided flora and fauna walks reveal the richness of the resort's natural surroundings, inviting a deeper connection with the landscape.

Families and leisure travellers will also find relaxed indoor options. At 333 At The Beach, guests can enjoy casual games and social spaces designed for easy, all-day enjoyment.

For those seeking deeper relaxation, Sati Spa, the resort's award-winning wellness sanctuary, provides a calm retreat inspired by Thai wellness traditions. Treatments such as herbal massages

As evening approaches, Pine Beach Bar becomes one of the most beautiful sunset spots in Phuket, where the changing sky creates a natural backdrop with soft light and shifting colours setting the tone for a relaxed beachfront evening. Meanwhile, [Sipping Tiger Bar](#) offers a refined cocktail experience inspired by botanical ingredients, creative mixology, and understated luxury, creating an intimate setting for sophisticated evenings at InterContinental Phuket Resort.

Beyond the resort, Phuket offers a mix of culture and local experiences. Guests can visit landmarks such as Wat Chalong, explore museums, browse local boutiques, or enjoy traditional Thai spa treatments and indoor markets.

One of the biggest draws of this season is the sense of space. With fewer visitors, the island feels more open and accessible. Beaches are quieter, and experiences feel more intimate.

Set between hillside and beachfront, InterContinental Phuket Resort blends natural surroundings with thoughtful design and service. Guests can enjoy a range of dining options, swimming pools, and curated activities, all delivered with a focus on comfort and ease.

To mark the season, the resort introduces the [Island Escape Offer](#) :
