

Edwin “Chi’Codez” Saladin Featured on Next Level CEO

FL, UNITED STATES, May 6, 2026

/EINPresswire.com/ -- Edwin “Chi’Codez” Saladin, institutional systems architect and founder of World Of Wealth LLC, is set to appear on Next Level CEO, where he shares how structured system design and cross-industry frameworks support scalable institutional growth and long-term strategic alignment.

Next Level CEO is a high-impact educational series hosted by Daymond John, designed to spotlight elite entrepreneurs, industry leaders, and top performers who have built powerful brands and created meaningful impact. The series gives viewers a rare inside look at real strategies, mindsets, and leadership lessons from those who have actually built lasting success. Each episode highlights a CEO’s story and expertise, revealing the moves that drive influence, growth, and modern business excellence.

You can find out more about the show by visiting their [website](#)

In his episode, Saladin explores how structuring, securing, and scaling systems across culture, real assets, energy, security, capital formation, and legal infrastructure can drive sustainable institutional outcomes. He breaks down how disciplined governance and integrated frameworks support resilience within complex environments.

Chi’Codez’s episode will be available soon on Inside Success Network through their distribution platforms. In the meantime, you can find out more by visiting <https://cast.nextlevelceotv.com/edwin-saladin>
