/EINPresswire.com/ -- Comfort Class Chimney & Air Duct Service, a leading provider of residential and commercial ventilation maintenance, is proud to announce its 20th anniversary. To honor two decades of dedicated service to the community, the company will host a special anniversary celebration and community appreciation event at its headquarters on Saturday, May 9th, 2026.

Since opening its doors 20 years ago, Comfort Class has grown from a local startup into a trusted regional authority on fire prevention and indoor air quality. The company's mission has remained consistent: providing high-level technical expertise with a neighborly, service-first approach.

"Reaching the 20-year milestone is a significant achievement that reflects the trust our customers have placed in us," said the leadership team at Comfort Class. "We've spent two decades in the trenches, solving complex ventilation issues and helping our neighbors breathe easier. This celebration is our way of saying thank you to the community that has supported our growth since day one."

The anniversary event offers an opportunity for local residents and business owners to meet the expert team, learn about the latest safety standards in chimney and air duct maintenance, and enjoy a day of community connection.
