organization acknowledged their positive impact on families and individuals, highlighting the importance of having dedicated leaders who champion inclusivity and community well-being.

“Our mission has always been centered on meaningful outcomes for all individuals and families,” said Michael, Lead Behavior Analyst at ABSI. “We really appreciate the opportunity to meet with Assemblymember Tri Ta and Senator Steven Choi. It gave us the ability to share a ‘boots on the ground’ overview of what we are seeing in our communities and to emphasize how policy and funding priorities can strengthen services for neurodiverse

individuals and the disability community across the state.”

Both lawmakers expressed a desire for continued collaboration and dialogue. They recognized the vital role of supporting individuals with disabilities alongside organizations that provide essential therapy and advocacy throughout California.
