

SECURITY TODAY ANNOUNCES THE 2026 GOVERNMENT SECURITY AWARDS 'THE GOVIES' WINNERS

Security Today announced the winners of the 2026 "The GOVIES" Awards recognizing organizations driving innovation across the security industry.

WOODLAND HILLS, CA, UNITED STATES, May 7, 2026 /EINPresswire.com/ -- Today, [Security Today](#), the leading industry media brand for the global security marketplace, announced the winners of the [2026 Government Security Awards "The GOVIES,"](#) recognizing organizations driving innovation across the security industry.

This year, 21 companies are being recognized for their innovative technologies and solutions that help shape the future of government security. Launched in 2009, The GOVIES honors outstanding government security products in a variety of categories.

"With evolving threats and rapid advances in technology, innovation has never been more important in the government security market," said Security Today Publisher Ralph C. Jensen. "The GOVIES winners represent the companies and solutions pushing the industry forward and helping organizations strengthen safety, security and operational effectiveness."
