Ann Ramakumaran, Founder and CEO of Ampcus Group

business and technology consulting and staffing solutions firm delivering AI, Cybersecurity, and Risk Management solutions to Fortune publicly traded companies, Government, and Nonprofits, today announced it has been named to the 2026 50 Fastest Growing Women-Owned/Led Companies™ list.

Sponsored by the Women Presidents Organization (WPO) and J.P. Morgan Commercial Banking, the annual ranking honors women-owned or -led businesses worldwide for

their scale, growth, and impact on innovation, economic development, and job creation.

"We're honored to be recognized among such an accomplished group of organizations led by exceptional women," said Ann Ramakumaran, Founder and CEO of Ampcus. "This achievement reflects the dedication of our 3,000+ global employees and our continued investment in people, process, infrastructure, innovation, and compliance. It's a testament to the culture we've built—one that prioritizes our employees, delivers value to our clients, and strengthens the communities we serve."

The 2026 list recognizes companies that have demonstrated strong, sustained revenue growth since 2021. Collectively, this year's honorees generated more than \$8.5 billion in revenue and employed over 23,000 people in 2025, underscoring the critical role women-led businesses play in driving economic momentum across industries.

"As a trusted partner to Fortune 100 enterprises, public sector organizations, and global nonprofits, we see firsthand the impact of strong leadership," said Salil Sankaran, President of Ampcus. "Team members across our organization are leading innovation in AI, cybersecurity,

fraud and risk management, testing, and human capital solutions. Their contributions are integral to our success, and we're proud to be recognized alongside peers who share this commitment."
