Founded in 1990 and headquartered in Florida, Anchor Benefit Consulting brings deep expertise in compliant, transparent, and high touch benefit administration for self funded employer groups. The acquisition strengthens OneVeracity's integrated model by adding in house plan administration capabilities that enhance coordination across Health Plan Solutions, VeracityRx pharmacy benefits, Care Solutions, and Onsite Health Centers.

"Bringing Anchor into the OneVeracity family aligns perfectly with our mission to simplify healthcare and remove the fragmentation employers experience today," said Marilynn E. "Pepper" Schafer, Managing Partner and Co-founder of OneVeracity. "Anchor has a decades long reputation for trusted administration and service. Integrating their team and capabilities strengthens our ability to give employers a more seamless, coordinated way to manage their health plans."

"We are excited for this next chapter and proud to join OneVeracity," said Scott Crawford, President at Anchor Benefit Consulting. "Our team has always focused on delivering responsive, reliable plan administration. Becoming part of OneVeracity expands what we can offer

employers and their members and positions us to make an even greater impact.”

The addition of Anchor Benefit Consulting further enhances OneVeracity’s ability to deliver a unified, end to end healthcare experience for self funded employers, including:

- More coordinated medical and pharmacy plan oversight
- Streamlined claims administration and member support
- Stronger compliance and regulatory alignment
- Better data connectivity across plan, pharmacy, and care management
- A single partner experience for brokers and employers seeking simplicity and cost control
- An industry-leading reference-based pricing program called Value-Based Pricing

#### About OneVeracity

OneVeracity partners with brokers to help self-funded employers reduce medical and pharmacy costs without compromising care. It delivers Health Plan Solutions, VeracityRx, Care Solutions, and Onsite Health Centers in one integrated model that gives employers a clearer, more coordinated way to manage healthcare spend. The approach is grounded in three guiding principles: enhance care, reduce costs, and make it easy. Founded in 2019 and headquartered in Kennesaw, Georgia, OneVeracity is a privately held company that serves self-funded employers across industries including manufacturing, government, and professional services.
