The Advisory Board is a dedicated leadership and networking platform that will actively support HERITAGE's mission. Its members will contribute through advocacy, fundraising and event initiatives, community building, and by bringing forward fresh perspectives and innovative ideas to strengthen the organization's global work.

"We are delighted to welcome the inaugural members of the Advisory Board: Achile Tenkiang, Carmen Thiam, Dr Fafa Addo Boateng, Dr Pascal Gally, Lorenzo Olivi, Serge Kavege, Achilleas Stamatiadis, and Tucci Ivowi," said HERITAGE Director, Dr. Evangelos Kyriakidis. "With diverse regional perspectives and professional backgrounds, this new body reflects HERITAGE's commitment to engaging the next generation of leaders for the cultural heritage sector," he added.

As part of the Advisory Board, members will play an active role in co-organizing high-profile events, strengthening HERITAGE's global community, and contributing to initiatives that promote the sustainable management of cultural heritage. At the same time, the platform offers opportunities for professional growth, leadership development, and meaningful engagement with a global network of peers and sector leaders.

We look forward to working closely with our Advisory Board members as we continue to empower heritage professionals and communities around the world.
