“What a tour lineup! These are some guys I’ve always respected, not only as artists but also off stage as my brothers,” TobyMac stated. “Third Day allowed me to open for them on my first big tour as a solo artist, and Chris and I toured together back in the summer of 2010. It will be a night diverse in musical styles and sounds but woven together in the heart and soul.”

“I have the utmost respect and admiration for the impact that Toby and Third Day have had... and am still in shock we have this opportunity to share these nights!” exclaimed Tomlin. “Worship is transformational when experienced together. I am excited to worship with everyone this fall! I pray these nights leave a lasting impact on each community.”

Third Day added, “We’ve been friends and fans of Toby and Chris for as long as we can remember. Touring with Toby over the years has always been a blast, but joining forces with Toby and Chris for a run like this feels historic and, honestly, like we’re about to have way too much fun.”
