

SDLC Corp Becomes Odoo Ready Partner to Strengthen ERP Implementation and Customization Services

New partnership milestone strengthens SDLC Corp's ability to deliver scalable Odoo ERP implementation, customization Services for growing businesses.

SAN FRANCISCO, CA, UNITED STATES, May 14, 2026 /EINPresswire.com/ -- SDLC Corp, a global technology consulting and software development company, is proud to announce that it has been officially approved as an [Odoo Ready Partner](#). This recognition marks a significant milestone in SDLC

Corp's mission to help businesses modernize operations, improve efficiency, and scale through powerful enterprise technology solutions.

As businesses increasingly seek unified platforms to manage sales, finance, inventory, human

“

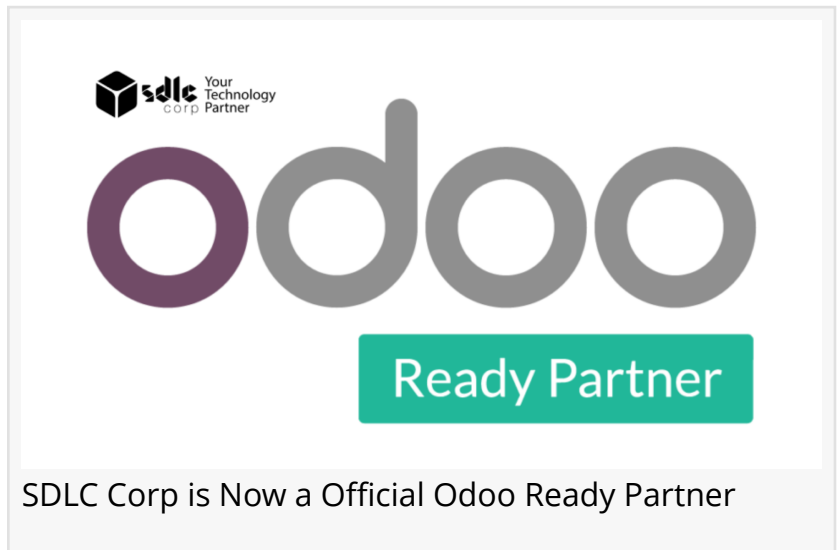

Becoming an Odoo Ready Partner is an important achievement for SDLC Corp and a strong validation of our commitment to ERP-led digital transformation,”

Kishan Srivastava (CEO)

resources, manufacturing, eCommerce, and customer relationships, Odoo has emerged as a flexible and comprehensive ERP ecosystem. With its approval as an Odoo Ready Partner, SDLC Corp is now positioned to deliver structured, business-focused Odoo consultation, implementation, customization, migration, integration, training, and ongoing support services. This milestone strengthens SDLC Corp's ability to serve startups, SMEs, and enterprises looking to replace fragmented systems with a centralized ERP platform that

improves visibility, automates workflows, and supports smarter decision-making.

Through this partnership, SDLC Corp will help organizations unlock the full potential of Odoo's integrated business applications, including CRM, Sales, Accounting, Inventory, Purchase, Manufacturing, HR, Project Management, Website, eCommerce, Marketing, and more. The company's approach focuses on understanding each client's operational challenges, mapping

business processes, and delivering tailored ERP solutions that are practical, scalable, and results-driven.

SDLC Corp brings strong experience across custom software development, enterprise applications, AI, blockchain, cloud solutions, automation, and digital transformation. This cross-domain expertise enables the company to deliver Odoo implementation that go beyond standard deployment, helping clients integrate ERP with existing tools, automate business-critical workflows, and create connected digital ecosystems. The approval as an Odoo Ready Partner also reflects SDLC Corp's continued investment in building specialized ERP capabilities and expanding its global technology service portfolio. The company sees this recognition as a strategic step toward helping businesses adopt modern ERP systems with confidence, speed, and long-term value.

With rising demand for operational efficiency and real-time business intelligence, companies across industries are looking for ERP platforms that are both powerful and adaptable. Keeping this in mind SDLC Corp has also launched [Odoo Apps](#) which are available on odoo app store. SDLC Corp's [Odoo Development](#) services are designed to address this need by enabling businesses to streamline departments, reduce manual effort, improve collaboration, and make faster, data-backed decisions.

As an Odoo Ready Partner, SDLC Corp will continue to work closely with businesses across industries to deliver ERP solutions that support growth, improve productivity, and create measurable operational impact.

The graphic is a celebratory announcement for SDLC Corp becoming an Odoo Ready Partner. It features a purple and white color scheme with confetti. At the top, the Odoo logo is displayed above a purple button that says 'READY' and the word 'PARTNER' below it. The main headline reads 'We are now an Odoo Ready Partner!' in a bold, purple font. Below this, a smaller tagline says 'Delivering smarter business solutions with Odoo.' In the center, there is a 3D rendering of a purple tablet or screen displaying the Odoo logo, the 'READY' button, and 'PARTNER' text. At the bottom, the SDLC Corp logo is shown with the tagline 'Your Technology Partner'. The entire graphic is set against a light purple background with scattered confetti.
