#### Evaluation by Industry Experts

Entries were evaluated by an international panel of industry experts across technology, design, and business sectors. This collective expertise ensures that each recognized entry meets a standard of excellence aligned with current industry expectations and global innovation benchmarks.

“The TITAN [Innovation Awards](#) continues to recognize excellence that defines how industries move forward,” said Thomas Brandt, spokesperson of the International Awards Associate (IAA). “This season’s winners demonstrate a level of execution that goes beyond innovation as an idea—they represent solutions that perform, adapt, and create lasting value. Their recognition reflects a global standard of excellence that positions them among the leading innovators shaping today’s industries.”

#### A Defining Season for Global Innovation

Season 2 of the 2026 TITAN Innovation Awards is now open for global entries, marking a continued expansion in both participation and industry representation. This upcoming season sets the stage for the next wave of innovation—bringing forward solutions that redefine performance, enhance user experience, and contribute to the evolving demands of global industries.

Early Bird Deadline: June 17, 2026

Final Extension Deadline: September 16, 2026

Results Announcement: November 6, 2026

2026 TITAN Innovation Awards: Season 2 Calling for Entries Now
