

2026 TITAN Women in Business and Leadership Awards Announces Winners in Leadership, Impact and Organizational Excellence

The 2026 TITAN Women in Business and Leadership Awards honors winners with achievements in leadership, strategic growth, and organizational success globally.

NEW YORK CITY, NY, UNITED STATES, May 15, 2026 /EINPresswire.com/ -- The 2026 [TITAN Women in Business and Leadership Awards](#) has officially revealed the winners of Season 1, honoring outstanding achievements in leadership, strategic growth, and

organizational success across the global business landscape. Previously [TITAN Women in Business Awards](#), the award recognizes individuals and organizations whose work demonstrates measurable impact, forward-thinking leadership, and sustained contributions to their industries.

“

These winners represent more than achievement. Their success reflects a standard of excellence that extends beyond borders, setting a powerful example for the global business community.”

Thomas Brandt, spokesperson of IAA

2026 TITAN Women in Business and Leadership Awards S1 Full Results Announced

Elevating Global Standards of Business Leadership
The 2026 competition received hundreds of entries from over 20 countries, reflecting a wide range of industries including technology, finance, marketing, and professional services.

Through the depth of strategic execution and measurable impact, the TITAN Women in Business and Leadership Awards continues to serve as a global benchmark for recognizing both operational excellence and leadership significance.

This season's winners highlight a diverse group of leaders and organizations reflecting the increasing importance of adaptability, innovation, and leadership in navigating today's complex business environment.

Featured winners include: Molly Rowan Hamilton (Blueprint Studio / Live Nation), Shahrzad Rafati (RHEI), Meghana Makhija (Amazon), Heidi Krupp (Krupp Agency), Amanda M. Bruno (Morgan Lewis), Olanda Sharp-Buckley (Dell Technologies), Vickie Chen (AviaGames), and many others.
