

KBD Group Begins Construction as General Contractor at 18 Vesey Street

18 Vesey Street expands KBD Group's urban portfolio, reinforcing its commercial real estate presence as general contractor for the project.

NEW YORK CITY, NY, UNITED STATES, May 18, 2026 /EINPresswire.com/ -- Kajima Building & Design Group, INC. ([KBD Group](#)) has commenced construction as General Contractor for the project at 18 Vesey Street, on behalf of [Seafarers International House](#). Project construction has recently begun in New York City, NY, advancing plans for continued investment in the property.

KBD Group is managing all construction operations for the project, providing general contracting services to support efficient execution and delivery. Our firm was selected based on our team's experience delivering complex building projects and the collaborative approach to working with property owners.

“

My top priorities for the New York and New Jersey office are to strengthen client relationships, expand our regional presence, and continuously elevate the performance of our teams.”

Craig Bagnoli

Seafarers International House, a long established organization supporting mariners and international travelers, continues to invest in its real estate assets to ensure facilities align with long term operational needs.

The 18 Vesey Street project further strengthens KBD Group's growing portfolio of urban developments, underscoring the firm's expanding footprint in the commercial and institutional real estate sectors.
