

JP-Homes Launches Verified Rental Registry to Navigate Hawaii's 2026 Zoning Laws

Hospitality veteran Curtis Vaughan debuts JP-Homes.com to provide real-time zoning verification and anti-scam protection for travelers visiting Hawaii in 2026.

HONOLULU, HI, UNITED STATES, May 15, 2026 /EINPresswire.com/ -- Hospitality veteran Curtis Vaughan today announced the launch of JP-Homes.com, a first-of-its-kind "Regulatory Lighthouse" designed to protect travelers from the increasing complexity and scams surrounding Hawaii's 2026 short-term rental laws.

“

In 2026, a booking isn't just about the view—it's about compliance. We built this registry to give travelers certainty in a rapidly shifting legal landscape.”

Curtis Vaughan, Founder of JP-Homes.com

As Honolulu's Bill 41 and the Big Island's Bill 47 (Ordinance 25-50) move into peak enforcement, thousands of travelers face sudden cancellations and legal gray areas. JP-Homes.com provides a verified, real-time registry of resort-zoned buildings and compliant stays, bridging the gap between platform listings and city ordinances.

"In 2026, a booking isn't just about the view—it's about compliance," says Curtis Vaughan, Founder of JP-Homes and a 20-year General Manager in the Hawaii hospitality sector. "We built this registry to give travelers certainty. When you see a building listed as 'Verified' on our platform, you know it meets the strict 2026 resort-zone requirements."

Key Features of the JP-Homes Launch Include:

- The 'Big 5' Registry: Direct, building-specific compliance reports for iconic Waikiki towers including [The Ilikai](#) and [Waikiki Banyan](#).
- The 2026 Anti-Scam Guide: A tactical resource for identifying unverified listings before they result in a cease-and-desist or loss of funds.
- Big Island July 1st Countdown: Early-warning intelligence for travelers heading to Hawaii County as the mandatory registration deadline for Bill 47 approaches.

JP-Homes.com is a primary division of the Vntry.ai ecosystem, leveraging automated data intelligence to keep travel information hyper-current in a rapidly shifting legal landscape.
