

# All Ways Moving Introduces a Comprehensive One-Stop Moving Model Across Eastern North Carolina

---

*All Ways Moving introduces a one-stop moving model in Eastern NC, combining residential, commercial, packing, storage, and supplies for a seamless experience.*

JACKSONVILLE, NC, UNITED STATES, May 18, 2026 /EINPresswire.com/ -- All Ways Moving, a trusted moving company serving Eastern North Carolina from four established locations, is proud to introduce a fully integrated, one-stop moving model that brings together residential relocation, commercial moving, specialty services, packing, labor, rental trucks, storage support, and an on-site moving supply store under a single, locally rooted brand. This approach represents a significant shift in how moving services are delivered across the region, offering residents and businesses a level of convenience and consistency rarely found outside of large national chains.

Since its founding, All Ways Moving has built a strong reputation across Eastern NC for professional, reliable relocations handled with care and transparency. Operating from four offices in [Jacksonville](#), [Havelock](#), New Bern, and [Greenville](#), the company has steadily grown its team, expanded its service area to over 50 cities and 13 counties, and developed deep familiarity with the communities it serves. What sets this new approach apart is not simply the breadth of services available, but the way those services are coordinated through a single point of contact, making the moving process far less fragmented and far more predictable for the customer.

Under this model, customers across Eastern North Carolina can access local and long-distance moving, senior moving, military relocation, apartment and college moving, piano moving, fragile item handling, commercial and office moves, crating, storage, professional packing and unpacking, moving labor, loading and unloading, truck rentals, and a fully stocked moving supply store, all through [allwaysmovingnc.com](#). The company's four physical locations, at 124 Bell Fork Rd, Jacksonville, NC 28540; 910 U.S. Hwy 70 W, Havelock, NC 28532; 4167 Dr. M.L.K. Jr Blvd, New Bern, NC 28562; and 854 Rivit St, Greenville, NC 27834, allow All Ways Moving to respond quickly, reduce transit time, and provide localized support to clients throughout the region. Every service is handled by fully licensed and insured crews operating under NCUC-2623 and USDOT 3995684.

"Our goal has always been to make moving easier for people in Eastern North Carolina," said the leadership team at All Ways Moving. "By bringing everything under one roof, from the supplies

you need before the move to the crew that loads your truck and the storage unit waiting on the other end, we are removing the stress of coordinating with multiple vendors. We want every customer to feel taken care of from the moment they call us to the moment the last box is in place.”

This comprehensive service model reflects All Ways Moving’s broader mission to raise the standard of moving care in Eastern North Carolina, serving military families near Camp Lejeune, seniors transitioning to new homes, growing businesses relocating their offices, and first-time homeowners navigating their first move alike. The company offers free estimates, honest pricing with no hidden fees, and personalized moving plans tailored to each customer’s schedule and budget.
