

ProSat Networks Expands in Maryland: Professional Starlink Installation, Wireless Network Design and WiFi Installers

ProSat Networks 1-844-799-0258 offers professional Starlink installation, wireless networking, WiFi installers for Maryland businesses, homes & maritime boats.

ANNAPOLIS, MD, UNITED STATES, May 20, 2026 /EINPresswire.com/ -- ProSat Networks 1-844-799-0258, a professional Starlink installation and IT network services company, has expanded across Maryland offering Starlink LEO satellite and wireless networking solutions including Starlink installations, custom wireless network designs by certified network engineers, Wi-Fi network installers, low-voltage data cabling, access control, security camera systems and managed IT network services (MSP) for residential homeowners, commercial businesses and maritime customers throughout the Old Line State of Maryland.

"LEO satellite broadband technologies like Starlink have enabled all of Maryland, including the inland and surrounding Atlantic and Chesapeake waterways, with easy access to modern high-speed connectivity anywhere on land or sea. ProSat Networks has expanded services across the state to ensure Maryland businesses and homeowners can have reliable high-speed internet distributed through commercial-grade WiFi networks that support all IoT connected devices such as computers, printers, cell phones, gateway routers, switches, firewalls, wireless access points, access control devices and security camera systems with remote monitoring." Stated a spokesperson from ProSat Networks.

According to tracking data and data metrics compiled by the Maryland Office of Statewide Broadband and federal Broadband Equity Access and Deployment (BEAD) program registries,

ProSat Networks 1-844-799-0258 Maryland Starlink Installation and WiFi Networks

roughly 30,000 locations across Maryland have been officially designated as unserved or underserved. Traditional fiber expansion is a long-term and time-consuming process.

Delivering end-to-end [Starlink installation services](#) and wireless network design, installation and support in the following locations throughout Maryland:

☐☐ Baltimore Metro, Central Maryland, and DC Suburbs:

Baltimore, Towson, Columbia, Ellicott City, Catonsville, Owings Mills, Glen Burnie, Annapolis, Laurel, Bowie, Silver Spring, Rockville, Frederick, Gaithersburg, Bel Air, Westminster, Germantown, Potomac, and communities throughout Baltimore City, Baltimore, Anne Arundel, Howard, Montgomery, Prince George's, Harford, and Carroll Counties.

“

Maryland is demanding better, faster, more reliable wireless networks powered by low-Earth-orbit (LEO) satellite internet service providers. ProSat Networks is here to support that need.”

spokesperson, ProSat Networks

☐☐ Western Maryland and Appalachian Region:

Hagerstown, Cumberland, Frostburg, Thurmont, Hancock, Oakland, Grantsville, Deep Creek Lake, McHenry, Williamsport, Smithsburg, and mountain communities throughout Washington, Allegany, Garrett, and western Frederick Counties.

☐☐ Eastern Shore and Chesapeake Bay Communities:

Salisbury, Easton, Cambridge, Ocean City, Crisfield, Chestertown, Denton, Centreville, St. Michaels, Berlin, Pocomoke City, Elkton, Chesapeake City, Princess Anne, Tilghman Island, and waterfront communities throughout

Talbot, Queen Anne's, Caroline, Dorchester, Wicomico, Worcester, Somerset, Kent, and Cecil Counties.

☐☐ Southern Maryland and Coastal Communities:

Waldorf, Lexington Park, California, Prince Frederick, Solomons Island, Chesapeake Beach, Leonardtown, La Plata, Lusby, Fort Washington, St. Mary's City, and communities throughout Charles, Calvert, and St. Mary's Counties.

The graphic is a promotional poster for ProSat Networks. It features a dark blue background with a starry sky. On the left, there are three overlapping images: a ProSat Networks technician in an orange safety vest and hard hat working on a satellite dish, a close-up of a satellite dish, and a network switch with many yellow and blue cables. The ProSat Networks logo is in the top left. The title 'PROSAT NETWORKS SERVICES' is in the top right. A bulleted list of services is on the right. At the bottom, there are contact details: a phone icon with '1-844-799-0258', an email icon with 'contact-us@prosatnetworks.com', and a website icon with 'https://ProSatNetworks.com/'. Below the graphic, the text 'ProSat Networks 1-844-799-0258 Starlink and WiFi Network Installation in Maryland' is displayed.

PROSAT NETWORKS

PROSAT NETWORKS SERVICES

- Professional Starlink installation
- Managed WiFi Networks
- Wi-Fi Network Design, Installation & Support
- Wireless Kinetic Mesh Networks
- Data Cabling: Cat5, Cat6, Fiber Optic
- PSN MITS (Managed IT Services)
- C-Level Strategic IT Consulting
- Security Camera Systems
- Unified IT Network Solutions for:
 - Agriculture & Farming
 - Construction Sites/Construction Trailers
 - Mines: Surface and Subterranean Mining
 - Marinas & Ports (techs with TWIC cards)
 - RV Parks, RV Resorts & Campgrounds
- Guest Internet Systems (GIS)
- Starlink Pooled Data Plans

Starlink for Marinas, Ports and Maritime Boats in Maryland

Starlink and [WiFi network installation](#) services may include the following:

- ☐☐ Technical site survey and feasibility assessment
- ☐☐ Data usage analysis and network audits
- ☐☐ Wireless network design (hardwired and wireless WLAN solutions) by Certified Network Engineers
- ☐☐ PtP/PtMP wireless bridges (point-to-point or point-to-multi-point) for multi-building connectivity
- ☐☐ Starlink data plan optimization, Starlink pooled data plans
- ☐☐ IT network and LEO satellite dish model recommendations
- ☐☐ Installation materials and parts supply
- ☐☐ IT network setup and IT system integrations (LAN, WLAN, WAN, SD-WAN)
- ☐☐ Hardware and software licenses procurement
- ☐☐ Licenses and inventory management
- ☐☐ Onsite professional Starlink installation services and setup
- ☐☐ Integration with existing or new IT infrastructure
- ☐☐ Guest Internet Systems for user and data management, monetized guest WiFi network solutions
- ☐☐ System testing and performance optimization
- ☐☐ Staffing / Talent Acquisition
- ☐☐ Post-installation documentation
- ☐☐ PSN MITS (ProSat Networks Managed IT Services), onsite and remote managed IT support services
- ☐☐ Mid and C-Level strategic IT consulting (CIO, CTO, CEO, COO) and more

Best WiFi Networks for Marinas

About ProSat Networks Inc.

ProSat Networks 1-844-799-0258 is an IT network design, installation, onsite and remote managed IT support services company that specializes in LEO satellite broadband internet, hardwired and wireless networks, and IT network integrations for businesses, residential and maritime customers nationwide throughout the USA, PR & USVA, and North America including parts of Canada.

Certified Network Engineers on staff (Cisco, UniFi-Ubiquiti, Rajant, M365 & more), experts in LAN/WLAN/WAN/SD-WAN networking, low-voltage data cabling: Fiber Optic, Cat5, Cat6, CatX,

coaxial, WiFi heatmapping and wireless spectrum RF analysis to deliver optimized hardwired & wireless network designs. Specializing in complex indoor, outdoor, and subterranean unified IT networking, communications and safety systems, managed system integrations, PtMP & PtP (point-to-multi-point / point-to-point) wireless bridges, long-range WiFi antennas, kinetic mesh wireless, security camera solutions including 24/7 live monitoring, and ongoing managed IT support (onsite & remote MSP) services including 24/7 live NOC support.

ProSat Networks certified network engineers work with our highly experienced field technicians to deliver best-in-class wireless network designs, installation and support for SMB and enterprise businesses, residential homeowners and maritime for boats and port operations.

ProSat Networks honors US military active duty, veterans and their spouses by offering a \$50 discount on installation services as they continue on their mission of helping to connect LEO satellite broadband internet to the people of planet earth.
