

Rite Way Heating, Cooling & Plumbing Earns Two of the Heating & Cooling Industry's Highest Honors from Lennox Industries

Tucson HVAC Company Receives Both the 2025 Dave Lennox Award & Lennox Centurion Award for AC Tune-Up, Repair & Installation Across Southern Arizona and Phoenix

TUCSON, AZ, UNITED STATES, May 19, 2026 /EINPresswire.com/ -- Rite Way Heating, Cooling & Plumbing, a trusted Arizona home services provider since 1959, announced today that it has been named a first-time recipient of two of the most prestigious honors in the HVAC industry: the 2025 Dave Lennox Award and the 2025 Lennox Centurion Award. Both awards are presented by Lennox Industries – a global leader in home comfort with more than 130 years in the industry – and recognize Rite Way's outstanding performance in [AC repair](#), tune-up, and installation throughout Tucson, Sierra Vista, and Gilbert.

The Dave Lennox Award is the pinnacle of recognition Lennox offers its dealer network. Symbolized by a bronze statue of the company's founder, the award is reserved for dealers who demonstrate exceptional achievement across customer satisfaction, installation excellence, business operations, and sustained growth – companies that have truly set the bar in their markets.

The Lennox Centurion Award recognizes the top 5% of Lennox residential dealerships within each sales region. Earning it means a dealer has fully embodied the Lennox brand promise – delivering a level of service and performance that puts them in an elite tier among more than 7,000 dealers across North America.

"Receiving both the Dave Lennox Award and the Centurion Award in the same year is a milestone moment for our entire team," said Rick Walter, President of Rite Way Heating, Cooling & Plumbing. "For more than 65 years, our mission has been simple: take care of Arizona families the right way, every single time. These awards belong to every technician, installer, plumber, customer service representative, and team member who shows up every day committed to that standard. We are deeply honored by this recognition."

Founded in 1959, Rite Way has grown into one of Arizona's most recognized home services companies, employing more than 150 people across three locations.
