Hosted at The QD Venue in Westminster, California, the event continued its mission of creating a global platform where business meets beauty and where women are celebrated not only for elegance and stage presence, but also for leadership, impact, and entrepreneurial excellence.

Led by Founder and Rights Director Mai Phương Trang, Miss Grand Business Global Season 3 reflected a vision that extends beyond pageantry. Under her leadership, the organization has grown into a platform designed to empower women while creating opportunities for networking, collaboration, and international community building.
