*Sofema Aviation Academy Launches New EASA Management System Assessment Tool for Operators (MSAT) Training Course*

SOFIA, BULGARIA, May 20, 2026 /EINPresswire.com/ -- [Sofema Aviation Academy](https://www.sofemaaviation.com) has officially announced the launch of a new online training course, "[EASA Management System Assessment Tool for Operators \(MSAT\)](https://www.sofemaaviation.com/courses/easa-management-system-assessment-tool-for-operators)".

The one-day equivalent course is designed to provide aviation professionals with practical knowledge and hands-on exercises regarding the application of the European Union Aviation Safety Agency (EASA) MSAT. The curriculum covers initial certification, continuing oversight, management of multiple certificates, and integrated management systems.

## Course Curriculum and Structure

The training is divided into ten distinct modules to ensure a comprehensive overview of the assessment tool:

General Introduction

MSAT Fundamentals & PSOE

Terms & Definitions

Safety Culture

Integrated Management Systems

Preparing for an MSAT Audit

Evidence & Self-Assessment

Audit Readiness & Continuous Improvement

Understanding the 12 Elements of the ICAO SMS Framework

Case Studies & Wrap-Up

Core Learning Objectives

The program focuses on developing specific regulatory and operational competencies. Upon completion, participants are expected to:

Understand the fundamental applications and significance of the EASA MSAT within the aviation industry.

Apply MSAT methodology to real-world scenarios through practical, structured exercises.

Develop compliance skills for utilizing the tool during routine oversight and evaluation activities.

Evaluate safety culture metrics to support safety-first operational environments.

Navigate the 12 elements of the ICAO SMS Framework, EASA requirements, and multi-certificate organizational structures.

Registration and Membership Programs

Registration can be completed directly through the [Sofema platform](#), with group enrollment options coordinated via email.
