WARWICK, RI, UNITED STATES, May 20, 2026 /EINPresswire.com/ -- This Memorial Day, [Rob Levine Law](#) is once again helping people celebrate safely by offering free Uber ride vouchers through the [Rob Levine Law Community](#) App. The program is designed to cut down on impaired driving and give residents in Providence and Boston an easy way home during one of the busiest holiday weekends of the year.

Memorial Day Weekend brings a major surge of activity to bars, restaurants, and nightlife spots in both cities. With more people out celebrating late into the night, the risk of drunk driving increases. The free rides program gives people a smart, simple option to plan ahead and avoid getting behind the wheel after drinking.

“

We want people to enjoy Memorial Day weekend and make it home safely. We're proud to invest in initiatives that make a real difference in our communities.”

To redeem a voucher, riders just need the Uber app downloaded and an active rider account set up. Vouchers are valid for rides within a 50-mile radius of both cities, so people celebrating throughout the region will have a safe way home.
