

Frontier to Showcase AURIA Connected Audio Solution at HIGH END Vienna 2026

CAMBRIDGE, CAMBRIDGESHIRE, UNITED KINGDOM, May 20, 2026 /EINPresswire.com/ -- Frontier Smart Technologies, a leading provider of turnkey audio technology solutions will exhibit at HIGH END Vienna 2026 for the first time. During the event, Frontier will showcase a range of audio products powered by its flagship Connected Audio module, AURIA.

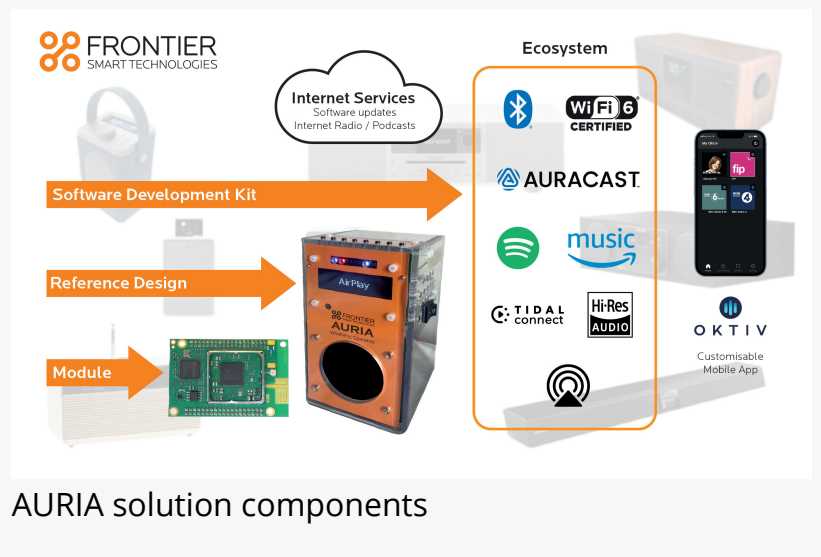

The HIGH END show brings together leading audio brands, innovators and consumers from around the globe. Frontier's participation highlights its ongoing commitment to enabling audio brands and manufacturers to rapidly integrate advanced Connected Audio features with minimal cost and development effort, including:

- Wi-Fi 6 dual band
- Bluetooth® LE Audio
- High-resolution audio (192kHz / 24-bit)
- Spotify Connect, TIDAL Connect, and AirPlay
- Internet radio, with optional DAB/FM
- Large, high-resolution displays
- Setup and control via OKTV or third-party apps
- Automatic over-the-air updates

AURIA is a flexible, turnkey platform that supports the development of a wide range of audio products, including speakers, soundbars, adapters, SmartRadios, and all-in-one systems.

Frontier to attend the HIGH END show

Visitors will have the opportunity to meet the Frontier team, explore the capabilities of AURIA, and discuss how the platform can support their product roadmap development.
