

# Lynden Potato Storage Facility Breaks Ground

*Chad Fisher Construction Breaks Ground on New Potato Storage Facility for Dick Bedlington Farms in Lynden, WA*

BELLINGHAM, WA, UNITED STATES, May 21, 2026 /EINPresswire.com/ -- [Chad Fisher Construction](#) (CFC), a leading general contractor serving Western Washington, is proud to announce the start of construction on a new [potato storage facility](#) for [Dick Bedlington Farms](#) in Lynden, Washington.

The project features a new 100' x 210' Pre-Engineered Metal Building (PEMB), purpose-built to give Dick Bedlington Farms the modern, high-capacity potato storage infrastructure their growing operation demands. Construction is currently underway and progressing on schedule.

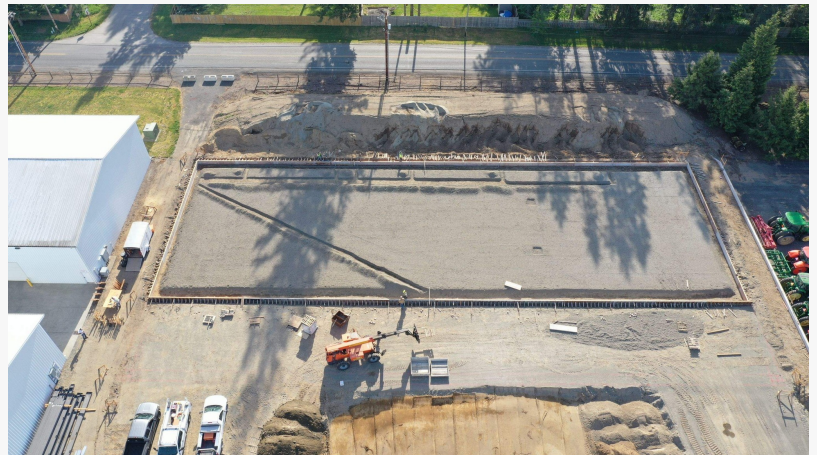

Agricultural construction has long been a core part of CFC's work - helping the farms and food processors that feed the region invest in the facilities they need to grow. Chad Fisher Construction looks forward to delivering a building that will serve Dick Bedlington Farms for generations to come.

For more information about Chad Fisher Construction and its portfolio of agricultural and commercial projects, visit [www.cfisherconstruction.com](http://www.cfisherconstruction.com).

## About Chad Fisher Construction

Founded in 2010, Chad Fisher Construction is a Western Washington-based general contractor specializing in commercial, industrial, agricultural, tenant improvement, and pre-engineered metal building construction. CFC is built on integrity, quality craftsmanship, and lasting client relationships.
