GERMANTOWN, MD, UNITED STATES, May 22, 2026 /EINPresswire.com/ -- MyFlyYatra is expanding its U.S travel platform by introducing enhanced coverage for INDIAN destinations, including Delhi, Mumbai, Chennai, Hyderabad, Bangalore, Ahmedabad, Kolkata, Cochin, Trivandrum, Goa, Pune, Jaipur, Jodhpur, Calicut, Vadodara, Amritsar, Chandigarh, Jammu, Srinagar, Kashmir, Punjab.

MyFlyYatra, a fast-growing global flight booking platform, today announced an expanded focus on [USA to India Flights](#) routes, has strengthened its offerings for travelers seeking Economy, Premium Economy, Business Class and First Class flight tickets from the USA.

With a significant number of travelers frequently flying from USA to India for personal, professional, and cultural reasons, MyFlyYatra is focusing on improving route-level coverage and user experience for American travelers. The platform is developing dedicated pages for routes such as SFO to Delhi, Dallas to Hyderabad, New York to Mumbai, Seattle to Chennai, Chicago to Delhi, Atlanta to Mumbai, Newark to Ahmedabad, Austin to Delhi and rest all routes.

By targeting commonly searched terms like "[Flights to India](#)," "flights from US to India," and "ticket prices from US to India," MyFlyYatra is aligning its platform with real-world user search behavior. This allows travelers to more easily find relevant information tailored to their departure city and destination.

Users can access a range of flight options, including economy, premium, business class and first class travel, and compare different airlines, routes, and fare structures. The platform emphasizes

clarity and structured presentation of travel data to help users navigate complex international flight options.

Customers searching for business class flight tickets to India can now browse and compare hundreds of options through the MyFlyYatra platform, with real-time pricing, flexible date tools, and dedicated fare-alert technology that notifies users the moment [business class flights to India](#) become available. The platform covers all major Indian gateway cities including Delhi, Mumbai, Bangalore, Chennai, Hyderabad, and Kolkata.

Key highlights of the business class flights India service include access to the business class fare to India through consolidator partnerships, 24/7 expert travel support, and a seamless online booking experience that rivals any global OTA. For travellers who have delayed or deferred premium travel due to cost, MyFlyYatra's business class tickets to India inventory represents the most compelling value proposition available in the market today.

The dedicated landing page – Business class flights to India - serves as a one-stop destination for travellers seeking business class tickets to India. The page features live fare comparisons, curated deals, and a streamlined booking flow built for speed and simplicity.

"Our focus is to make international travel planning more streamlined for users traveling from USA to India," said Sonam Gosain. "By organizing information based on routes and search trends, we aim to improve both usability and relevance."

In addition to route-based pages, MyFlyYatra is expanding its informational content to include travel tips, pricing insights, and seasonal trends. This helps users better understand fluctuations in airfare and plan their travel accordingly.

The company is also working on expanding coverage for additional American cities and enhancing its content strategy to support both high-volume and long-tail search queries. Through continuous improvements and expansion, MyFlyYatra is positioning itself as a useful resource for travelers seeking flights from US to India.
