

# ActivPower Inc. Receives 'Outstanding Organization Award' at Health 2.0 Conference 2026

*Global health and wellness innovator recognized for excellence in human, canine, and equine performance and longevity products*

MCLEAN, VA, UNITED STATES, May 21, 2026 /EINPresswire.com/ -- ActivPower Inc. was honored with the prestigious "Outstanding Organization Award" at the Health 2.0 Conference 2026, held April 7-9, 2026, at the Bellagio Hotel & Casino in Las Vegas, Nevada. The award recognizes organizations contributing to the advancement of structured learning approaches, leadership frameworks, and innovation shaped through research and practical application.

ActivPower Inc. develops high-performance, award-winning supplements and wellness solutions serving global human, canine, and equine markets through its three specialized divisions:

“

This award reflects ActivPower's commitment to Power Your Possible by combining nature and science to advance strength, vitality, and lifelong wellness for humans and animals alike.”

*Dr. Ravi R. Iyer, Founder and Chairman, ActivPower Inc.*

ActivPowerIRX — Human health, wellness, performance, and longevity solutions

ActivPowerCANIS — Wellness products for canine companion animals

ActivPowerEQUUS — Advanced supplementation for recreational and competitive racehorses

The company combines cutting-edge research and development with contemporary scientific methodology, integrating eastern and indigenous herbal traditions alongside western molecular technology to support health, vitality, and functionality throughout all stages of life.

ActivPower products are utilized by elite athletes, competitive police and military units, and the global equine sport industry.

“Our mission has always been centered on helping individuals and animals achieve optimal performance, wellness, and longevity,” said Dr. Ravi R. Iyer, Founder and Chairman of ActivPower Inc. Group of Companies, who accepted the award on behalf of the organization. “This award is both an honor and a recognition of our philosophy of how to Power Your Possible across the spectrum of life.”
