Introducing The Faith-Tech Collab, where faith and innovation meet.

LOS ANGELES, CA, UNITED STATES, May 21, 2026
/EINPresswire.com/ -- [FAITH](#) MEETS INNOVATION –

On Saturday, June 6th, 2026, the Faith-Tech Collab will launch at the Epic Icon Center, Downtown Los Angeles. As the East Coast celebrates tech week, the west will see the merging of the faith based world & new tech. “The Faith-Tech Collab is designed to bring together a high-level room of leaders from entertainment, technology, and faith-based spaces” says the event's creator/executive producer Chad Brown, “This is where vision, innovation, and purpose meet”. Hosted by actress, comedian, social influencer, & stellar award nominated singer Lexi, the event will feature book signings from influencer/media personality Goo Goo Atkins, pastor/personality John Gray, and multi-award producer/pastor Warryn Campbell. The Faith-Tech Collab attendees various faith based personalities, business leaders, and tech executives. The event will also feature book signings by influential faith leaders Andrea Humphrey, Jon Decuir, Rev. Cordelia Wallace, and Jeremy Dixon. “It is imperative that the Church not be left behind in this technological age. We must be willing to advance our message, expand our reach, and use technology as a tool for greater Kingdom impact.” says Chad Brown when asked of the event's potential impact. Slated as
