THE PINNACLE GROUP®
STRATEGIC WEALTH PLANNING

Dr. Pat® Pachciarz of The Pinnacle Group® announces strategic alliance with Amanda Hill, CPA and Eric Hill of FutureSight Accounting LLC.

The alliance combines Pinnacle's proprietary tax strategy infrastructure — powered in part by best-in-class AI-driven bookkeeping technology — with FutureSight Accounting's deep CPA expertise and forward-thinking approach to small business financial clarity.

“

Most people don't have a tax problem. They have a coordination problem.”

Dr. Pat® Pachciarz, Founder & CEO, The Pinnacle Group

The result: a fully coordinated, technology-anchored tax planning and accounting experience for business owners, professional women, educators, and blue-collar entrepreneurs across all 50 states.

The Problem This Alliance Solves

The average American overpays the IRS by tens of thousands of dollars annually — not because they are irresponsible, but because their financial professionals work in silos, react instead of plan, and file instead of strategize.

"Most people don't have a tax problem," said Dr. Pat® Pachciarz, Founder and CEO of The Pinnacle Group®. "They have a coordination problem. Nobody is talking to each other. The CPA doesn't talk to the wealth advisor. The wealth advisor doesn't talk to the tax attorney. And the

client pays for all of it — twice."

The Pinnacle-FutureSight alliance changes that equation entirely.

The Technology-Anchored Strategy Stack

Pinnacle's ecosystem is built on AI-driven bookkeeping automation — ensuring clean, compliant, real-time financial data is always available before strategy is engineered. This technology layer eliminates the manual burden of bookkeeping, captures every deduction, and surfaces every optimization opportunity before the return is ever filed.

FutureSight Accounting brings the CPA expertise to execute — with precision, compliance, and a genuine commitment to client wellbeing. And Pinnacle coordinates it all — tax strategy, entity optimization, income shifting, and full professional alignment — before April 15th. Not after.

What the Alliance Delivers

- AI-Driven Bookkeeping: clean, compliant, real-time books running automatically
- Proactive Tax Strategy: engineered before the return, not discovered after
- CPA Filing Excellence: FutureSight executing every strategy with precision
- Full Ecosystem Coordination: tax attorney, estate attorney, wealth advisor, banker, and CPA at the same table — at no extra cost

"At FutureSight, we don't just crunch numbers," said Amanda Hill, CPA. "We translate financial data into clear insights you can actually use. Partnering with Pinnacle means our clients now have access to the full coordinated team they deserve — not just a tax return."

The Pinnacle Group® Ecosystem

The FutureSight alliance expands The Pinnacle Group® — an eight-entity, 20-branch platform serving families and business owners across all 50 states, including Pinnacle Private Wealth®, Pinnacle Tax Strategies®, Pinnacle Technologies, GIVE.BACK.® Foundation, Pinnacle Academy™, The Pursuit with Dr. Pat® podcast, and Bobby Money™ School — Dr. Pat's financial literacy initiative for children ages 5–14, launching on YouTube Kids in May 2026, co-hosted with Avery.
