

# SK Agrofood Tech Pvt Ltd Expands Packaging Operations to Support Growing Industry Demand

*Sk agrofood tech private limited Expands Advanced Flexible Packaging Solutions for India's Fast-Growing Food Industry also hits the turnover 610 crores*

MUMBAI, MAHARASHTRA, INDIA, May 26, 2026 /EINPresswire.com/ -- [SK Agrofood Tech Private Limited](https://www.einpresswire.com/)

Emerging as India's Trusted Flexible Packaging Partner

SK Agrofood Tech Private limited, a rapidly growing leader in the flexible packaging industry, is redefining packaging standards with its advanced, high-quality, and sustainable packaging solutions for food, FMCG, agro, spices, snacks, frozen foods, and retail industries.

With a strong commitment to innovation and customer satisfaction, the company specializes in manufacturing premium laminated pouches, printed rolls, stand-up zipper pouches, vacuum packaging, and customized flexible packaging solutions designed to enhance shelf appeal while preserving freshness and product integrity.

"Packaging today is more than protection — it is a brand's first impression," said a spokesperson from [SK Agrofood Tech Pvt Ltd](https://www.einpresswire.com/). "Our goal is to help brands stand out in competitive markets with packaging that combines performance, aesthetics, and sustainability."

Backed by advanced manufacturing technology and a customer-focused approach, the company
