SALINA, KS, UNITED STATES, May 26, 2026 /EINPresswire.com/ -- Dynamic rising country act [Cole Ryan](#) has officially signed an exclusive agreement with [DXD](#) Label Group. To celebrate the new partnership, they have announced the upcoming summer release of their highly anticipated new single, "She's My Baby Girl." Representatives from the label shared their enthusiasm for the new partnership: "We were very interested in Cole Ryan and knew they belonged in the DXD family. The combination of their energy, songwriting style, and deep connection to the country music tradition is magnetic. DXD is excited to partner with them and kick things off with a song as infectious as 'She's My Baby Girl.'"

Arriving just in time for the peak of summer, "She's My Baby Girl" is a high-energy, feel-good anthem that captures the warmth of new parenthood and the beautiful life changes it brings. Packed with upbeat guitars, an anthemic chorus, and Cole Ryan's signature vocal style, the track is primed to make a strong statement representing the music of the Great Plains.

Additionally, Cole Ryan released the song "[Take Me to Texas](#)" this past spring. The track marked a transition from their previous efforts with 3rd Rail Recordings to their new home at DXD. "She's My Baby Girl" will be available on all major streaming platforms, including Spotify, Apple Music, and Amazon Music, this summer. Fans can pre-save the track and stay up to date on official release dates and tour announcements by visiting Cole Ryan's official channels.
