

Kuvings AUTO10S Hands-Free Slow Juicer Does More Than Juice with 3-in-1 Functionality

Kuvings AUTO10S juicer, three strainers, and endless possibilities for juice, smoothies, and frozen desserts.

IL, UNITED STATES, May 28, 2026 /EINPresswire.com/ -- Many people think of a [slow juicer](#) as a kitchen appliance designed only for juice. The [Kuvings AUTO10S](#) Hands-Free Slow Juicer goes beyond traditional juicing with three interchangeable strainers for juice, smoothie, and sorbet functions. Designed as a versatile and easy clean juicer, the AUTO10S allows users to create a wider variety of recipes with a single appliance while minimizing preparation and cleanup.

Juice Strainer: Real Green Juice

Using the juice strainer, the AUTO10S cold-presses ingredients such as apple, celery, ginger, kale, and lemon into a smooth and refreshing juice. Its low-speed extraction helps minimize heat during juicing, making it an ideal apple juicer and celery juicer for everyday wellness routines.

Smoothie Strainer: Mango Banana Smoothie

By switching to the smoothie strainer, the AUTO10S can also create thick, pulp-rich smoothies without the need for a separate blender. Frozen mango, banana, and coconut milk blend together in a single process, offering a convenient option for users looking for a quality juicer

The Kuvings AUTO10S allows users to make juice, smoothies, and sorbet using three interchangeable strainers.

that can also handle everyday smoothie preparation.

Sorbet Strainer: Red Dragon Fruit Smoothie Bowl

The sorbet strainer transforms frozen fruits into creamy desserts and smoothie bowls without requiring additional dessert-making equipment. Frozen dragon fruit and mango create a vibrant smoothie bowl with a naturally rich texture, making the AUTO10S a practical choice for users seeking one of the best slow juicer options for more than just juice.
