

Harbor Energy Announces New Content on How to Sell Oil and Gas Rights in Texas

Harbor Energy announces new content on smart strategies to sell oil and gas rights in Texas.

MURCO, TX, UNITED STATES, May 31, 2026 /EINPresswire.com/ -- Harbor Energy, an Oklahoma-based company that purchases oil and gas mineral rights and royalties across the United States,

When someone is ready to sell their oil and gas rights in the Lone Star State, they may not know where to begin.”

Blake Thompson

is proud to announce new content on how to sell mineral rights in [Texas](#). Mineral owners considering a sale may benefit from working with a company that explains the process clearly and takes time to understand their property.

“When someone is ready to sell their oil and gas rights in the Lone Star State, they may not know where to begin. Many owners want a straightforward process with

someone who understands oil and gas mineral rights. We work differently,” said Blake Thompson, manager of Harbor Energy. “Our process is easy, we listen, and we do our research to offer a fair price for their mineral rights.”

The new content from Harbor Energy can be reviewed at <https://harborenergyllc.com/harbor-energy-announces-new-content-on-how-to-sell-mineral-rights-in-texas/>. Individuals ready to sell oil and gas rights in Texas may benefit from the personalized support of an expert. Harbor Energy aims to make the process clear and simple, from the initial request through review and closing. The additional support of a professional who takes the time to listen and inform a seller of the steps to selling may also be appreciated. The team works with people owning mineral rights not just in Texas or Oklahoma, but anywhere in the United States. The company’s goal is to provide a fair, transparent process from start to finish.

The team is ready to review various rights in oil and gas, including mineral rights, royalty interests, overriding royalty interests, fractional interests, and severed mineral interests. The company also reviews non-producing mineral rights.

Details on informational resources for the state of Texas can be reviewed at <https://www.texas.gov/>. Individuals ready to sell oil and gas rights in Texas can view the new [Texas mineral rights](https://harborenergyllc.com/mineral-rights-tx/) page at <https://harborenergyllc.com/mineral-rights-tx/>.

LOCAL PROFESSIONAL TAKES PERSONAL APPROACH TO SELLING OIL AND GAS RIGHTS IN TEXAS

Inheriting oil and gas rights can be valuable, but it can also create questions about value, taxes, paperwork, and long-term ownership. If a family is ready to sell oil and gas rights in Texas, finding a supportive, trustworthy professional who can walk them through the process can be beneficial. Harbor Energy helps owners understand their options and, when it makes sense, provides a straightforward offer.
