

Javier Zubiate Earns Fifth Consecutive New York Life Executive Council Honor

EL PASO, TX, UNITED STATES, May 29, 2026 /EINPresswire.com/ -- Javier

Zubiate, Financial Advisor with Eagle Strategies LLC, Agent with New York Life, and a Financial Professional at [Crown Wealth Strategies](#), has been recognized for the fifth consecutive year (2021-2025) as a member of New York Life's prestigious Executive Council.

“

It's about showing up for clients, helping them navigate complexity, and giving them clarity and confidence in every stage of life. That's the standard I hold myself to.”

Javier Zubiate

This distinction represents one of the organization's highest professional honors, awarded to a select group of financial professionals who consistently demonstrate excellence in performance, client impact, and long-term planning leadership. Each year, only a small percentage of New York Life's nearly 12,000 agents nationwide achieve this level of recognition.

“Excellence at this level is never incidental—it's intentional,” said Lizzie Metzger, President & CEO of Crown Wealth

Strategies. “Javier exemplifies what it means to serve with purpose. His consistency reflects not only performance, but the trust he has earned by guiding clients to make thoughtful, confident decisions for their future. This recognition is a direct reflection of his integrity, discipline, and commitment to doing what's right.”

Over the past five years, Zubiate has continued to expand his impact, partnering with individuals, families, and business owners to implement integrated strategies across wealth accumulation, protection, and long-term planning. His approach reflects Crown Wealth Strategies' philosophy—aligning investment strategy, risk management, and tax-aware strategies into a cohesive, personalized experience.

“Executive Council is meaningful because of what it represents,” said Zubiate. “It's about showing up for clients, helping them navigate complexity, and giving them clarity and confidence in every stage of life. That's the standard I hold myself to.”

At Crown Wealth Strategies, Zubiate is part of a growing advisory team committed to delivering a fully integrated wealth experience. Through a combination of institutional-level investment access and advanced planning strategies—including tax optimization, estate coordination, and

risk management—the firm provides a concierge-level approach designed to simplify complexity and create lasting value.

This milestone marks Zubiato's fifth consecutive year achieving Executive Council status—an accomplishment that underscores sustained excellence, long-term client relationships, and a disciplined approach to wealth stewardship.
