

From Carbon Credits to Cybersecurity: 12 Companies Present at the June 4 Small Cap Growth Virtual Investor Conference

Direct Access to Management Teams Through Live Presentations, Real-Time Q&A, and One-on-One Meetings

NEW YORK, NY, UNITED STATES, May 29, 2026 /EINPresswire.com/ -- [B2i Digital, Inc.](#) invites investors to the [Small Cap Growth Virtual Investor Conference](#) on June 4, 2026.

B2i Digital is the Official Marketing Partner, supporting the conference through digital marketing, social media, and company profiles.

Twelve public companies will present.

The lineup spans advanced materials, cybersecurity, climate solutions, restaurants and hospitality, clean fuels, electronic components, diagnostics, industrial nanotechnology, public safety technology, renewable power, oil and gas, and wireless technology.

“

When VIC runs a sector-agnostic event the presenting slots sell out, and a full agenda draws the crowd.”

David Shapiro, CEO of B2i Digital

Each company has 30 minutes for a live presentation and Q&A. [One-on-one meeting requests](#) are available through the VIC site, with replays available on B2i Digital and OTC Markets YouTube channels.

“You won’t find a graphene maker, a carbon-credit trader, a synthetic jet fuel developer, and a national restaurant operator on the same conference agenda anywhere else. That mix keeps investors watching all day and minimizes

the caffeine needed to stay awake between presenters. When VIC runs a sector-agnostic event the presenting slots sell out, and a full agenda draws the crowd,” said David Shapiro, Chief

Advanced Materials, Cybersecurity, Clean Fuels, Diagnostics, Public Safety Technology, and More on the Agenda

Executive Officer of B2i Digital.

The conference is co-sponsored by Skyline Corporate Communications Group, LLC, a corporate communications and investor relations firm that works with public companies and issuers preparing to go public. Skyline's team brings deep capital markets experience to the companies it serves, helping management tell their story clearly and reach the right investors.

One-on-one meeting requests are available through the VIC site, with replays available on B2i Digital and OTC Markets YouTube channels.

"Our objective is to showcase high growth, innovative companies in front of the people who would want to understand and learn about them, and a full day of live presentations and one-on-one meetings achieves that objective," said Scott Powell, President & Chief Executive Officer of Skyline Corporate Communications Group, LLC. "We're proud to co-sponsor an event that gives small-cap management teams a real platform and gives investors a direct line to ask the questions that matter."

To request one-on-one meetings with management:
