

Boxing Legend Roy Jones Jr., Community Leaders, and Special Guests Unite for 'RJJ Saving the Kids' Charity Fight Night

Champions unite June 12 as Roy Jones Jr. hosts a charity boxing event to support vulnerable children, families, and anti-trafficking efforts.

TOPPENISH, WA, UNITED STATES, June 2, 2026 /EINPresswire.com/ -- Boxing Legend Roy Jones Jr., Community Leaders, and Special Guests Unite for "RJJ Saving the Kids" Charity Fight Night on June 12, Where Every Punch Helps Save a Life.

Event aims to raise critical awareness and funds to combat child exploitation and support vulnerable families.

On June 12, boxing icon Roy Jones Jr. and a coalition of fighters, community leaders, and organizations will step into the ring for something far more important than any title belt. The "RJJ Saving the Kids" charity event at Legends Casino Hotel will blend high-energy professional bouts with a powerful mission: protecting children from exploitation and building brighter futures for families in need.

According to the National Center for Missing & Exploited Children, more than 32,000 reports of missing children were made in 2025, with roughly one in seven identified as likely victims of child sex trafficking. These sobering numbers underscore the urgency behind the event's theme: "What Are We Fighting For? Every Punch Saves a Child's Life."

Doors open at 6:00 p.m., with the first fight scheduled for 7:00 p.m. The night will feature an impressive lineup of professional talent, including Maricela Cornejo, Natasha Spence, Darnell Thompson, Andres Reyes, Isaac Russel, Carlos Villanueva, and others. Fans across the country can watch the live action via 1EZLIFE.com Pay-Per-View. "This event is about more than boxing,"

Cliff Scott Founder, CFO, & President of 1ezlife.com

said organizers. "It's about using the power of sports to shine a light on child trafficking and kidnapping, while delivering real help like healthcare, nutrition, education, mentorship, and hope to kids and families who need it most."

Entrepreneur and businessman Cliff Scott, founder of 1EZLIFE, added: "Saving the kids isn't just a slogan for us, it's a call to action. Every dollar raised and every person who joins this fight helps pull children out of danger and gives them the chance to thrive. We're proud to stand with Roy Jones Jr. and everyone stepping up to protect the most vulnerable."

Proceeds from the event will support programs focused on:

- Healthcare and nutrition
- Education and mentorship
- Youth empowerment
- Family and community support services
