recognition.”

Rapid Rooter Plumbing and Air is a true family-owned and operated business that has proudly served Arizona residents since 1986. The company was built on a foundation of honesty, integrity, and exceptional customer service.

Jessica Librizzi said the recognition is especially meaningful because of the relationships they have built through the organization.

“We are incredibly honored to be recognized as Go Local Arizona's Member of the Month,” said Librizzi. “Rapid Rooter Plumbing and Air is a true family-owned and operated business that has proudly served the Valley since 1986. My husband, Chad, is a fourth-generation plumber who has dedicated more than 30 years to the plumbing industry, carrying on a family tradition built on hard work, integrity, and exceptional service. As Arizona natives, we've built our company around one simple belief: take care of people, and the rest will follow.”

The business remains a family effort every day. Alongside Chad and Jessica, their three daughters work in the office, assisting customers and helping manage daily operations.

“Our business is truly a family effort,” Librizzi said. “Alongside Chad and me, our three daughters work in the office and are the friendly voices answering the phones and helping customers every day. Being able to work together as a family and serve our community is something we are incredibly proud of.”

Beyond providing plumbing and HVAC services, Rapid Rooter Plumbing and Air has embraced the spirit of collaboration that Go Local Arizona encourages among its members.

“One of the things we appreciate most [about Go Local Arizona](#) is the opportunity to connect with other local business owners who genuinely want to see one another succeed,” Librizzi said.

“Small businesses are the backbone of our communities, and being surrounded by people who support, encourage, and refer one another makes a tremendous difference. We are especially honored to be chosen as Member of the Month and are excited to become even more involved,
