

Corporate Housing Solution for Northern Virginia's Expanding Technology and Government Workforce

Luxury Executive Residence Near Dulles Technology Corridor Now Available for Corporate, Government, Embassy and Relocation Leasing

CHANTILLY, VA, UNITED STATES, June 9, 2026 /EINPresswire.com/ -- As Northern Virginia continues to attract technology innovators, government agencies, defense contractors, and international organizations at a record pace, demand for high-quality executive housing has never been greater. Responding to that demand, a premier executive residence located at 5205 Ridgeview Retreat Drive in Chantilly, Virginia is now available for corporate, government, embassy, and relocation leasing beginning August 1, 2026.

“

Northern VA faces growing demand for premium executive housing. This home is the ideal blend of location, privacy, flexibility & comfort for relocating professionals, government personnel & families.”

Denise Gobin, The Gobin Group, Compass

Situated in the highly desirable Retreat at Westfields community, the luxury end-unit townhome offers both furnished and unfurnished leasing options with flexible lease terms designed to accommodate executive relocations, government assignments, diplomatic postings, project-based consultants, and families transitioning to the Washington, D.C. metropolitan area.

With major employers continuing to expand throughout the Dulles Technology Corridor, companies increasingly face challenges securing move-in-ready housing solutions for key personnel. This property provides a turnkey alternative to hotels and temporary accommodations,

delivering the comfort, privacy, and functionality of a single-family residence while remaining

minutes from many of the region's largest employment centers.

Executive Housing Designed for Today's Workforce

Built in 2022 by Miller & Smith Homes, the residence features approximately 2,774 square feet across three finished levels, offering four bedrooms, three-and-a-half bathrooms, a two-car garage, private outdoor living spaces, and a flexible floorplan ideally suited for executives, remote professionals, government personnel, and relocating families.

The home includes:

- Four bedrooms and three-and-a-half bathrooms
- Premium end-unit location backing to protected wooded parkland
- Open-concept living and entertaining spaces
- Chef-inspired kitchen with quartz countertops, oversized island, gas cooking, and stainless-steel appliances
- Dedicated spaces suitable for remote work and executive home offices
- Private fenced backyard, patio, and Trex deck
- Smart-home features and app-controlled garage access
- Pet-friendly accommodations
- Available furnished or unfurnished

Unlike traditional corporate apartments, the property provides the privacy, space, and residential atmosphere often sought by executives and government personnel assigned to Northern Virginia for six months or longer.

Strategic Location in the Nation's Premier Technology and Defense Corridor

The residence is positioned in the center of one of the most important economic regions in the United States.

Within minutes are major employers and government agencies including:

- National Reconnaissance Office (NRO)
- Booz Allen Hamilton
- Leidos
- SAIC
- CACI
- Peraton
- ManTech International
- Northrop Grumman
- General Dynamics Information Technology
- Amazon Web Services
- Capital One Technology Campus
- MITRE Corporation
- Washington Dulles International Airport

*Silver Line Metro Access

Northern Virginia is home to the world's largest concentration of data centers, federal contractors, cybersecurity firms, and intelligence-community support organizations, making flexible executive housing increasingly important for workforce mobility and talent recruitment.

Ideal for Corporate Relocation and Government Assignments

The property is particularly well-suited for:

- Corporate relocation programs
- Executive transfers
- Government contractors
- Defense industry professionals
- Diplomatic and embassy personnel
- Temporary Duty (TDY) assignments
- Technology consultants and project teams
- International executives relocating to the United States
- Families seeking access to top-ranked Fairfax County schools

Both corporate lease structures and company-sponsored housing arrangements are welcome.

"We designed this offering to provide more than housing—we wanted to create a true home base for professionals relocating to one of the country's most dynamic economic regions," said Patrick Gobin, Property Owner. "Whether someone is arriving for a six-month project, a multi-year assignment, or a permanent relocation, the goal is to provide a turnkey living experience that allows them to focus on their work and family from day one."
