

# OneroRx Launches Lower-Cost Diabetes Medication Brenzavvy

WEST DES MOINES, IA, UNITED STATES, June 1, 2026 /EINPresswire.com/ -- OneroRx, a community-focused healthcare provider, announced the immediate availability of Brenzavvy (Bexagliflozin), a lower-cost SGLT2 inhibitor for adults with type 2 diabetes.

Approved by the FDA in 2023 and developed by TheracosBio, Brenzavvy helps improve blood glucose control while addressing a major barrier to care: affordability. As one of the most cost-effective options in its class, it aims to support better adherence and long-term outcomes.

"We understand the challenges of managing diabetes and are committed to providing affordable solutions,"

Joseph Dunham said, Chairman and CEO of OneroRx. "From Brenzavvy to our Contonious Glucose Monitor (CGM) offerings, we're helping patients take control of their health with confidence."

TheracosBio CEO Brian Connelly added, "We are excited to partner with OneroRx to make low-cost, safe, and effective Brenzavvy available to more patients. The community-focused healthcare approach at OneroRx is a perfect fit with our mission to offer affordable therapeutics to those in need."

Brenzavvy is now available at select OneroRx pharmacies, including:

Medicap Pharmacy, Urbandale IA, Sinks Pharmacy, Rolla MO, Lee's Summit Pharmacy, Lee's Summit MO, Local Health Pharmacy, Chicago IL, Juniper Pharmacy, St. Louis MO, and
