

ancora Software Promotes Ross Lee to UK Managing Director

Ross will Continue to Drive Growth and Expansion Across the UK and EU Markets

SAN DIEGO, CA, UNITED STATES, June 2, 2026 /EINPresswire.com/ -- ancora Software, Inc., a leading provider of Intelligent Document Processing (IDP) and Accounts Payable (AP) automation solutions, today announced the promotion of Ross Lee to the role of UK Managing Director, reinforcing the company's commitment to continued growth and customer success across the United Kingdom and Europe.

Since joining ancora Software and serving as Head of Professional Services, Lee has demonstrated exceptional leadership, business acumen, and a deep commitment to expanding ancora's presence throughout the UK. His ability to engage strategically across all areas of the business has made him a key contributor to the company's success and ongoing expansion in the region.

“

Ross has consistently demonstrated outstanding leadership and a strong dedication to our customers, partners, and employees.”

Noel Flynn, CEO at ancora Software, Inc.

Over the past several years, Lee has played an instrumental role in strengthening and growing ancora Software's UK operations. His contributions have included leading customer engagement initiatives, supporting

strategic sales efforts, driving professional services excellence, and fostering collaboration across departments to ensure successful customer outcomes.

“Ross has consistently demonstrated outstanding leadership and a strong dedication to our customers, partners, and employees,” said Noel Flynn, CEO of ancora Software. “His strategic vision, operational expertise, and commitment to delivering results have been invaluable to our growth in the UK and EU markets. We are excited to see Ross take on this expanded leadership role and continue building upon our success.”

During his tenure, Lee has contributed significantly to:

- Strengthening sales and marketing alignment and customer engagement initiatives
- Supporting pre-sales strategy and solution positioning
- Delivering professional services and implementation excellence
- Enhancing customer success and post-sales support operations
- Driving team development and cross-functional collaboration throughout the organization

As UK Managing Director, Lee will be responsible for leading ancora Software's operations across the United Kingdom, further expanding the company's market presence, strengthening partner relationships, and ensuring continued delivery of exceptional customer experiences.

"I am honored to take on the role of UK Managing Director," said Ross Lee. "ancora has built a strong reputation for innovation, customer success, and delivering measurable business value. I look forward to working with our talented team, customers, and partners as we continue to grow our presence and help organizations transform their document and AP automation processes."

The promotion comes as ancora Software continues to experience strong growth globally, with nearly 2,000 customers leveraging its AI-powered Intelligent Document Processing and AP automation solutions to streamline operations, reduce costs, and improve business efficiency.

About ancora Software

ancora Software, Inc. is a leading provider of Intelligent Document Processing (IDP) and Accounts Payable automation solutions. Leveraging advanced AI, unassisted and assisted machine learning, and patented document processing technologies, ancora helps organizations automate the capture, classification, extraction, validation, and workflow of business-critical documents.
