ORLANDO, FL, UNITED STATES, June 1, 2026 /EINPresswire.com/ -- The 777 All-Suite Holiday Inn Resort Orlando Suites - Waterpark Unveils Major Property Rebrand and Grand Opening of 'Surf & Splash Waterpark'

The new on-site waterpark features an expansive, toddler-friendly 'Aqua Cove,' all-new high-speed thrill slides, and a FlowRider® Double surf simulator.

New on-site waterpark features include three high-speed slides, a FlowRider® Double surf simulator and tot-friendly Aqua Cove.

The 777 All-Suite Holiday Inn Resort Orlando is proud to announce the grand opening of the all-new Surf & Splash Waterpark. This high-energy aquatic destination serves as the crown jewel of the resort's recent property-wide evolution, offering an unrivaled "stay-and-play" experience just a couple of miles from Walt Disney World®.

Designed to be the centerpiece of the guest experience, Surf & Splash Waterpark marks a new era for the iconic family resort. By combining modernized multi-bedroom suites with a world-class waterpark, the resort now caters to every age group—from thrill-seeking teens to toddlers discovering the water for the first time.

## The Surf Zone: High-Adrenaline Thrills

For those seeking an adrenaline rush, the waterpark debuts the Surf Zone, home to the Triple Tide Tower, featuring the Duel Drop Racers (high-speed mat racers) and the Surf Spin body slide.

The heart of the Surf Zone is the FlowRider® Double, a 40-foot surf simulator pumping 37,100 gallons of water per minute to create a perfect, continuous wave—ideal for bodyboarding,

stand-up surfing, or catching a first ride with the help of trained instructors.

**Double the Fun:** Our signature FlowRider® Double features a massive carving surface and an inflatable divider that allows two guests to shred simultaneously, doubling both riding capacity and excitement.

**Premium Cabanas:** Guests can enjoy great views, privacy, and comfort in our exclusive Surf Zone Cabanas, perfect for groups seeking a dedicated home base amidst the action.

**Liquid Sunshine Food Trucks:** Two signature food trucks offering guests the opportunity to enjoy poolside bites, tropical smoothies, and refreshments without ever leaving the fun.

**The Splash Zone:** Featuring an all-new Aqua Cove

Designed specifically for younger adventurers and their families, the Splash Zone is a vibrant, multi-sensory water playground. The highlight of this area is the expansive, all-new Aqua Cove play structure, a premier water feature that significantly scales up the resort's previous offerings to create a massive interactive oasis:

**Massive Multi-Level Play Area:** A vastly expanded footprint featuring more interactive water sprayers, fountains, and splash pads than ever before.

**Multiple Integrated Tot-Slides:** Scaled perfectly for little explorers, with more sliding paths than the previous structure.

**The Giant Tipping Bucket:** A massive overhead dump tank that creates the ultimate "big splash" moment for those below.

"The debut of Surf & Splash Waterpark represents a total evolution of our guest experience," said Kesa Roberson, General Manager. "By anchoring our resort with the high-energy Surf Zone and the family-centric Splash Zone featuring Aqua Cove, we have created the ultimate destination for family fun in Orlando. Between carving waves on the FlowRider®, enjoying the privacy of our premium cabanas, or grabbing a bite at our Liquid Sunshine food trucks, the 'wow' factor is now built into every stay."

**Stay, Play, and Dine**

The resort's refresh extends beyond the waterpark into its spacious one-, two-, and three-bedroom suites, which feature kitchenettes, separate living areas, and modern comforts.
