Sony Pictures Television in association with Propstore, one of the world's leading Entertainment Memorabilia Auctioneers, has today announced the launch of The Boys Online Auction Part 1 with over 450 lots of props, costumes, set decoration, and prosthetics coming directly from the set. The auction is open for bidding from Tuesday June 2, 2026 until the timed online-only auction closes on Tuesday June 30, 2026 at 9AMPDT / 5PM GMT. This auction will be followed up with a second auction that will be kicked off at the beginning of 2027.

The fifth and final season of the multi-Emmy Award-winning series The Boys premiered on April

8, 2026, with two episodes, followed by a new episode each week, culminating in the unforgettable, epic series finale on May 20, 2026. With the series recently concluded, this auction looks back on the legacy of the series and includes items that showcase the artistry of the production team that created the show. Many of the characters from the world of Vought are represented in the auction, including The Seven, The Boys, and many of the “supes,” adversaries, and allies they run into along the way.

The Boys is a fun and irreverent take on what happens when superheroes—who are as popular as celebrities, as influential as politicians, and as revered as gods—abuse their superpowers rather than use them for good. Intent on stopping the corrupt superheroes, The Boys, a group of vigilantes, continue their heroic quest to expose the truth about The Seven and Vought—the multibillion-dollar conglomerate that manages the superheroes and covers up their dirty secrets. It’s the seemingly powerless against the super powerful.

The Boys is based on The New York Times best-selling comic by Garth Ennis and Darick Robertson, who also serve as executive producers, and developed by executive producer and showrunner Eric Kripke. Seth Rogen, Evan Goldberg, James Weaver, Neal H. Moritz, Pavun Shetty, Phil Sgriccia, Michaela Starr, Paul Grellong, David Reed, Judalina Neira, Jessica Chou, Gabriel Garcia, Ori Marmur, Ken F. Levin and Jason Netter also serve as executive producers. The Boys is produced by Sony Pictures Television, Amazon MGM Studios with Kripke Enterprises, Original Film, and Point Grey Pictures.

Bidding runs through June 30, 2026, with all items starting at just \$100 with no reserve. A portion of the proceeds will be donated by Sony Pictures Television to support healthcare for people in need across Los Angeles.

With over 450 props, costumes, set pieces, and prosthetics, the collection captures the wild, unpredictable world of Vought—from Annie January stepping into the Seven as Starlight, to the shocking emergence of Soldier Boy, and even the tragic fate of The Deep's 'friend,' Timothy the Octopus.
