

Opkalla Named to Inc.'s 2026 Best Workplaces List

Annual list recognizes the businesses that set the standard for workplace success and awards excellence in company culture

CHARLOTTE, NC, UNITED STATES, June 2, 2026 /EINPresswire.com/ -- [Opkalla](#) is proud to announce it has been named to Inc.'s 2026 Best Workplaces list. The list, which can be found at [Inc.com](#), honors American companies that have built exceptional workplaces and vibrant cultures that support their teams and businesses, whether in-person, remote, or hybrid.

The award is the result of comprehensive measurement and evaluation of hundreds of applicants. The process involved a detailed employee survey conducted by Quantum Workplace, covering critical elements such as management effectiveness, perks, professional development, and overall company culture. Each company's benefits were also audited to determine the overall score. Opkalla is honored to be included among the 507 companies recognized this year.

"This recognition is a testament to the incredible people who make Opkalla what it is," says Aaron Bock, CEO at Opkalla. "We're proud of the culture we've built over the last seven years, rooted in genuine care for our team and our clients."

Opkalla's recognition reflects its commitment to fostering a supportive and dynamic work environment. The company offers comprehensive benefits, emphasizes team building and connection, and promotes work-life balance.

"This year's Best Workplaces list goes beyond great company culture—it highlights companies making meaningful and sustained investment in their employees," says Bonny Ghosh, editorial director at Inc. "Even in a labor market that favors employers, these companies understand that an intentional and authentic commitment to their teams drives stronger employee retention, engagement, and ultimately, a stronger business overall."
