Below are a few testimonials from Renew Healing Body Massage clients:

"I am enjoying my sessions with Carolina V. and my body is feeling absolutely amazing. I had no idea how much my body needed to "lymphatically drain." I have experienced very gentle, yet effective massages. I highly recommend Carolina V."

"Carolina was phenomenal! I booked a relaxing massage with her through the massage book website. Everything was very easy. You have the option to pay just a deposit or for the entire experience beforehand including tip. I was emailed a waiver that included questions about any health concerns etc a few days before the appointment. When I didn't get around to it that first day I got another email reminder. That's very helpful! The day of the appointment Carolina texted me about 30-45 minute before the set time. She gave me detailed instructions on finding the location. (It's a suite within a building.) When I arrived I texted to let her know and she opened the door for me. The suite is very clean and a calming atmosphere. Everything was very professional. I opted for the relaxing 60 minute

massage. Carolina followed up in person to confirm that today my goal was to relax. She asked about any allergies and suggested lavender lotion. The process felt very comfortable. I was given privacy and the empty room to disrobe and her ready. She knocked and asked if I was ready for her to come in. The massage was great! There was a bit of aromatherapy. Carolina communicated well and checked in to make sure the pressure was okay for me. She told me at the end that my neck was very tense. She did a little bit of work on it. At the end she gave me a bottle of water, reminded me to hydrate, and suggested that a monthly treatment would help my very tense neck/back. I highly recommend Carolina! I left feeling as relaxed as I was on vacation. This woman has healing hands."

"After undergoing multiple medical treatments, my body was going through so much. Carolina's lymphatic drainage massage didn't just help--it turned my condition 180 degrees.

I cannot recommend Carolina enough. Every session leaves me feeling 100% restored. She is truly the best massage therapist I know and a vital part of my wellness journey."

"Carolina is a gifted and skilled massage therapist. Her sessions are both relaxing and therapeutic, and have greatly helped the chronic tension that lives in my neck and shoulders. The massage space is beautiful, peaceful, and expertly maintained. I recommend her highly."
