“

One of the best wineries to visit in Napa Valley.”

Esther Mobley, San Francisco Chronicle

Selected by Chronicle wine critic Esther Mobley, the list celebrates wineries that offer memorable guest experiences, distinctive wines, and a strong sense of place. Canard Vineyard was recognized for its authentic approach to hospitality, historic property, and deep roots in Napa Valley agriculture.

Founded in 1984 and located in Calistoga, Canard Vineyard has built a reputation for producing vineyard-designated

wines that reflect the character of its estate-grown fruit. The property is home to some of Napa Valley's oldest Zinfandel vines and remains a family-owned and operated winery committed to preserving the agricultural heritage of the region.

"We're honored to be included among Napa Valley's best winery destinations," said Adam Fox,

Managing Director of Canard Vineyard.
"For decades, Canard has quietly focused on farming exceptional vineyards but only just recently opened to the public for tours and tastings. This recognition reflects the dedication of our entire team and the support of our loyal customers and wine allocation members."

Unlike many large-scale winery destinations, Canard Vineyard offers guests an intimate and personal experience centered on wine, farming, and family history. Visitors are welcomed to a working vineyard and historic ranch property where they can enjoy, single vineyard, estate wines while learning about the land, its history, and the people who steward it.

The recognition comes as Canard Vineyard continues to welcome guests seeking authentic Napa Valley experiences that connect wine, agriculture, and community.
