

# Environmental Products Group Named Sole Kentucky Distributor for Elgin Sweeper Products

*Expanding Multi-State Footprint, EPG Deepens Partnership with Federal Signal to Serve Municipalities and Businesses Across the Region.*

KY, UNITED STATES, June 3, 2026

/EINPresswire.com/ -- Environmental Products Group ([EPG](#)) - a leading provider of infrastructure and municipal maintenance equipment - is proud to announce that it has been appointed the sole distributor of [Elgin](#) Sweeper products for the entire state of Kentucky. This appointment marks another significant step forward in EPG's ongoing pursuit to expand its product offerings to its growing customer base.

Federal Signal, parent company of Elgin Sweeper, continues to play a significant role in EPG's product portfolio. This new distributorship deepens that relationship and strengthens EPG's position in the Kentucky market. EPG is eager to deliver its signature customer experience - combining quality products, expert [service](#), and responsive support - to a new audience across the Commonwealth.

Elgin Sweeper is recognized as a top-quality brand in street sweeping technology, trusted by businesses and municipalities nationwide for its durability, performance, and innovation. Kentucky joins EPG's existing Elgin Sweeper service territory, which includes Arkansas, Florida, Georgia, Ohio, and West Tennessee, making EPG one of the most expansive Elgin distributors in the southeastern and midwestern United States.

"We are excited to bring the EPG experience to Kentucky and to continue growing our partnership with Federal Signal and Elgin Sweeper. Our customers across all of our territories
